Unionville High School, Unionville, PA

Honoring Abby Miller

The Abby Miller Foundation is hosting a community softball tournament to raise money to support teenage driving education. Abby Miller was a Unionville High School Student and a treasured softball team member who lost her life in a car accident after swerving to miss a deer. The Annual Safe at Home Tournament honors her spirit and her passion for softball and for life by supporting the foundation created in her memory. The goal of the Abby Miller Foundation is to help fund teenage driving education and the placement of driving simulators in high schools....in essence to save the lives of teen drivers.

For more information on the foundation see - www.abbymillerfoundation.org
